

City of Lebanon Police Department

36 Poverty Lane, Lebanon, NH 03766 (603) 448-1212

PRESS RELEASE

Plainfield Road/ South Main Street

Holiday Traffic

The holiday season presents some of the heaviest traffic of the year on Plainfield Road. The additional challenge this year is the construction project which will further add to traffic congestion. We are working with the State Department of Transportation and the City Department of Public Works to keep traffic moving as efficiently as possible.

If you plan on traveling to the Plainfield Road area please;

Expect significant delays during heavy shopping and traveling times.

Avoid blocking the intersections. If traffic cannot flow through the intersections, the congestion becomes worse.

Be patient.

Thank you for your assistance and we wish you all safe and happy holidays.

Authorized by: Lieutenant Scott Rathburn Date: November 22, 2011
