City of Lebanon Police Department

36 Poverty Lane, Lebanon, NH 03766 (603) 448-1212

Route 12A/ Plainfield Road Traffic Advisory

The Lebanon Police Department is requesting the public's assistance during this time of rebuilding after Tropical Storm Irene.

We are experiencing extremely heavy truck traffic on Route 12A. These trucks are transporting materials to areas of New Hampshire and Vermont affected by the tropical storm and as such we request the patience and courtesy of the public during this effort. Many of these trucks are turning left to Interstate 89 North to deliver material for relief efforts, and especially need the courtesy of drivers.

The major traffic will take place over the upcoming weekend between the hours of 8:00am and 8:00pm and will be traveling from the area of Pike Industries to the interstate ramps.

Authorized by: Chief M. James Alexander

Date: 9/2/11
